PEF Alumnus Shanza Nayab - UET, Lahore. Trainee Engineer, Sui Northern Gas, Lahore, tells us how her life has changed:

Shanza Nayab's father passed away when she was three months old. Her mother did all she could in educating her and the rest of the siblings. Shanza got admission on open merit in UET, Lahore, but did not have any financial support; she was directed to the PEF scholarship program by the student affairs department. There she applied and was granted full-term scholarship on the basis of need and merit. During her four years, her fees were always paid on time. Today, she is working as a Trainee Engineer at Sui Northern Gas in Lahore. She is very thankful to PEF and its donors for taking care of her education and hopes someday she can pay back and help others through PEF to achieve their dreams.
