

PEF Welcomes Its New CEO on Board

Mr. Shahid Ahmed Hakim joined PEF in the month of November as its CEO and ET President.

He has a vast experience in various fields. He was with Engro Chemical Pakistan Limited for twenty eight years and then later moved on to Bolan Castings Limited as its Chief Executive Officer and worked there for 7.5 years.

Mr Shahid is highly experienced corporate leader / consultant with a strong safety and engineering background, he holds extensive managerial experience and is a great team leader.

PEF and its board members welcome him on board and wish him the best of luck and hopes that PEF will flourish under his cap.

PEF-Edhi Scholarship

A Press Conference was held on 11th January 2017 at the Avari Hotel to launch the 'PEF-Edhi Scholarship'. This scholarship is to honor the greatest humanitarian of our time!! We are proud to announce this scholarship for the deserving and bright students of Pakistan. The Scholarship will be initiated all over Pakistan in 34 Universities.

Addressing the joint press conference, Faisal Edhi, son of Abdul Sattar Edhi, thanked PEF for coming up with such a noble scheme. He hoped that the scholarship, launched by PEF, would further enhance the mission of his father who did his utmost to help the needy and the poor in order to build a stronger nation through educating children. While responding to a question, Faisal Edhi said, "We can take our country to greater heights if we harness the potential of our youth. A simple way to achieve that target is to invest in education at all levels and let the future generation achieve its dreams."

Professional Education Foundation hopes that the program would receive generous contributions from potential and current donors to make this noble cause a big success.

PEF Student Syed Bilal Ayoub Dawood University

Syed Bilal Ayoub is studying Computer System Engineering from Dawood University. When he was in his 2nd year he and his family found it very difficult to pay the university fees as they had bad financial conditions.

Bilal went to the universities accounts section to tell them that he wanted to drop out as he will not be able to pay the fees that's when they told him about PEF scholarship. Bilal applied and got selected and PEF made a commitment to him to pay the full amount for his studies. Now Bilal's dream of being an Engineer is coming true and he is very thankful to PEF to help him in his time of need.

PEF Charity Carnival 2017

Just like every year this year was a big success too. PEF Charity Carnival took place on 5th February 2017 at its traditional venue Beach Luxury Hotel, Karachi. PEF hosted 5000 people which included youngsters, adults and even few senior citizens.

The carnival was very well organized with its perfect placement of the stalls and the two food streets. One could not simply get bored due to the festivities of the carnival which consisted of merchandise stalls, food, games, music, raffle, haunted house, boat ride, concert, sound and light show and last of all the legendary fireworks.

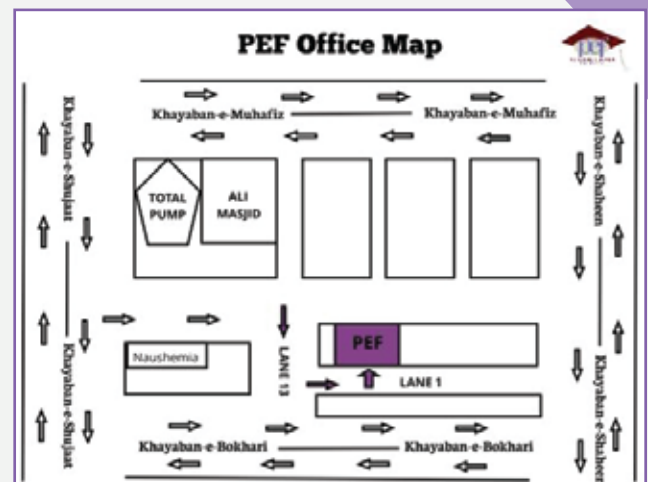

The sponsors, donors and volunteers were the heart of the event. They helped us in making a remarkable impact on the people and also to highlight our cause and the mission that we all are working very hard for.

We have planned our next carnival in the year 2018 and we are anxiously looking forward to it and cannot wait to entertain the people of Karachi once again. Thank you for believing in us and to stand up with us for this beautiful cause.
